Festival References: (Include phone numbers and dates) <small>Use reverse side for more room.</small>			
Attach copy of liability insurance coverage:	Attached:	Yes	No
Why did you choose our festival? Where did you find us?			

Booths are to be open on Thurs. and Fri. evenings, Saturday and Sunday of the holiday weekend. You can open prior to that if you desire. There are no activities on Monday. Tear down can be Sunday evening around 10 PM. The festival is located at the Noble County 4H Fairgrounds in Kendallville, IN. You are responsible for any shelter you require and for the security of your merchandise. Booth space and location will be predetermined by NIBGA. You may arrive early and there is a \$10/day advance charge in addition to any other fees.

A \$50 deposit is required 30 days in advance. Booth sizes are in 20 foot increments. Your fee includes two weekend tickets, vending space and standard electric service of one 110 volt / 15 amp outlet for booth lights. If you require additional tickets, they are to be purchased upon entry at \$35 each.

Food service booths will be inspected by the Noble County Board of Health sometime during the festival. You are responsible for appropriate licenses or fees to vend food in Noble county.

Booths will be judged for appropriateness to the festival.

I understand that if my booth is accepted this document becomes a part of my contract with Northern Indiana Bluegrass Association. I agree and will abide by the above terms and conditions.
